

Estill Master Teacher (EMT)

Eligibility	Must be an active member of the EVT Community with Estill Figure Proficiency. Attendance at least 2 EVT Level One Courses and 2 EVT Two Courses, preferably taught by different EMCI's.
Pre-Phase One Requirements	Study Level One and Two Course Workbooks, and practice for the EMT Voiceprint Protocol with Hand Signals. Find an EMCI-TP Mentor, and "Register for EMT Testing" (50 USD). Download the EMT Study Guide from My Trainer Center/Resources/Certification. Certification workshops and/or private tutoring and coaching are recommended.
Phase One Exams Duration and Fees	3-4 hours are generally required to complete the EMT Voiceprint Protocol with Hand Signals, and the EMT Written Examination with Figure Demonstration using EVPP. Administration Fees are payable to EMCI examiner. Suggested minimums are 300 USD, 300 Pounds, 300 Euro and 400 AUD. Additional fees apply for retesting.
Phase One Pass Criteria	EMT Voiceprint Protocol with Hand Signals: must pass each within 3 trials. Written and Figure Demonstration Examination: minimum score of 90%.
Post-Exam Procedures	EMCI-TP Mentor reports Phase One completion in Certification Center database and the EFP holder becomes a "EMT-Candidate". No fee is due at this time.
Phase Two Teaching Observations	EMT-C should explore the documents in updated My Trainer Center/Resources/Certification/Preparation. Guidelines can be found in Certification Manual, 5.1, EMT Observation Packet and Practice Group Leader Guidelines.
Phase Two Pass Criteria	The EMT-C passes Phase Two when all EVT Elements and Principles have been successfully coached under observation at least once, per guidelines in Certification Manual, 5.1.
Post-Observation Procedures	Mentor records the pass in Certification Center and new EMT signs in to register, accept the Certification Letter of Agreement and pay Dues. Payment will be for monthly dues between the certification date and December 31st, up to 120 USD. EMT Certificate can be printed from the Certification Center homepage.
EMT Benefits	Continuation of EFP benefits, plus: Link to bio and contact info in "Find a Trainer" directory on www.estillvoice.com . Upgraded access to Trainer Store with access to Workbooks. Advertise and self-promote teaching of EVT in the private studio. Lead Practice Groups for courses and certification preparation. Present one-day Introductory Workshops.
Terms	Benefits apply while EMT upholds their Certificaton Agreement, pays annual dues, actively participates in the EVT Community, attends one EWVS every 6 years, and complies with additional continuing education or update requirements.
Fees	Testing Registration (50 USD) and EMT Annual Dues (120 USD, renewable each January) are payable to EVI. All Coaching, Exam Administration, and Observation Fees are payable to the EMCI's providing these services and should be agreed upon in advance per EVI policy.
